

AP 100/50 M

One machine with unique features allow the operator to clean multiple surfaces easily and safely while increasing productivity, saving time, and reducing labor costs.

AP 100/50 M

Technical data		
Max. Pressure	PSI	100 / 900
Flow rate	gal/min	0,66 / 1,25
Voltage	V	110
Weight without accessories	lbs	210
Dimensions (L x W x H)	in	36 × 24,75 × 43
Equipment		
Switch-CHEM-System		-
